### ZELAYA'S DEPARTURE FROM EUROPE IS THE CAUSE OF UNEASINESS

Opinion Entertained in Costa Rica That His Action May Have Important Bearing on Nicaraguan Revolution

SAN JOSE DE COSTA RICA, Aug. 30.—What is regarded by many Costa Ricans and prominent Nicaraguans residing here as having an ominous bearing on the revolution in Nicaragua is the news report published in one of the leading papers of this capital, the organ of a presidential candidate, to the effect that former President Jose Santos Zelaya has suddenly left Europe for an unknown destination.

From Port Limon comes the report that Generals Estrada and Moncada are about to reach Bluefields in Nicaragua. General Nicasio Vasquez from his retreat in Guatemala is reported in close touch with the situation. While former President Estrada has published a manifesto calling for the Nicaraguans to support President Diaz, it is not believed that General Vasquez will favor the President or General Mena.

The Costa Rican public is far more stirred by the present troubles in Nicaragua than it ever was in the past, as it is feared that they will afford a definite foothold in Central America to American imperialism. It is pointed out that the revolution broke out at the very moment that the Nicaraguan government was about to turn over to an American company the lake steamers and national railroads.

### NATURAL MISTAKE.

"That young lady is angry with me. The episode happened at a reception. I couldn't see her face under her big hat."

"And you mistook her for another young lady, eh? Nothing in that to get angry about."

"I mistook her for a piano lamp."

A pool tournament will be started early in October.

There has been a wonderful increase in the patronage of the cafeteria during the last week.

A meeting of all members interested in bowling will be held next Saturday.

The Lyric Club will hold its second rehearsal this evening at the studio of Professor De Gracia.

The night school classes will open October 7. Enroll on or after September 23 at the association office.

The committee in charge of purchasing statuary and pictures for the building has finished its selections and will place the order immediately.

The proposition to have a gymnasium class at eight o'clock in the morning has been favorably received.

All the association's committees are being appointed. Last year there were one hundred and fifty men on committees; this year the association wants three hundred. Hand in your name for committee service.

The annual prospectus of the association will be issued Monday and is called "Club Life in the Y. M. C. A." The cover and inside illustrations, by "Mike" Randall, are the features.

### HONOLULU AUTO LIST IS GROWING.

Six years ago the association had 283 members, property worth \$30,000, and two men on the employed force. Today there are 1212 members, property worth \$230,000, and eleven men on the employed force. It looks as if the Y. M. C. A. were growing.

The opening affair of the year will be in the form of a big stag party on the evening of September 27.

The boys' gymnasium work under

Mr. Johnson is in full swing and is divided into three classes: Tuesday and Thursday nights, Punahou students; Monday and Wednesday nights, McKinley High and Central Grammar students, and on Saturday mornings a combined class of the students from all three schools.

The religious work committee will hold its first meeting on next Monday night to organize and to discuss plans for the work during the coming year. A dinner will be served at six o'clock.

As soon as the work in the physical department is well under way, Director Lau is going to plan a series of hikes for the members of the gymnasium classes.

Everybody is anxiously waiting for that wireless chess tournament to start. There has been some delay on account of the wireless working only part of the night, but it will be arranged to play the game on three or four different nights.

Instruction on any subject can be had at the night school. The instructors will be members of local school faculties and business men who have had experience in teaching.

The motto of the recently organized Lyric Club is "Work Hard and Stick to the Tune."

Arrangements are being made with the Honolulu Library to install a circulating branch in the association. This will be in charge of Secretary Urice.

A class in show-card writing will be introduced in the night school.

Larimer lost a good game of chess the other evening. He said that he could have won, but he wasn't slow enough.

### HONOLULU AUTO LIST IS GROWING.

The number of automobiles listed for the city and county of Honolulu has reached a total of one thousand and fifteen machines according to a record maintained at the police station.

Within the past few months an increased number of machines have been arriving on all steamers from the coast to the islands. In a recent Matsun Navigation liner twenty-two automobiles were shipped to the islands.

## BOWELS SLUGGISH, STOMACH SOUR, GASSY, UPSET? CASCARETS GREAT!

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means your stomach is full of sour bile—your liver is torpid—your bowels constipated. It isn't your stomach's fault—it isn't indigestion—it's biliousness and constipation.

10 Cents. Never gripe or sicken.  
"CASCARETS WORK WHILE YOU SLEEP."
